Application

## Scholarship for a Research Stay at one of the Departments included in the National Graduate School of Historical Studies

Name of the Applicant:

Applicants Department and University:

Name of Supervisor:

Year starting the PhD Program:

Applicants supervisor has been informed about this application:

Applicant apply for a Research Stay at the following departement/university:

The research stay is planed for (date):

Name and email address to contact at the visited departement (for example Head of department or Head of doctoral studies)

The Financial manager/Head of department at the doctoral student's home institution has been informed and approve that travel/accommodation will be booked for the doctoral student. The home institution can subsequently invoice the Graduate Schools up to SEK 20,000 against a receipt.

Application send as a PDF to Kajsa Weber no later than April 1.

Significance of the application. (The text is limited to the space below.)

When awarding scholarships, the Graduate School will assess the scientific quality of the application, particularly with regard to how well it is justified why the exchange promotes the work on the doctoral thesis. Applications where it is clearly stated which researchers the doctoral student wants to meet and where there is planned time for activities such as seminars, meetings and network meetings or similar are considered stronger.
